Background	3				
Methodology – study design/sample	4				
Questionnaire outline	5				
Definitions	6				
Topic areas	8				
HIGH-LEVEL INDUSTRY FINDINGS	11				
SEGMENTATION RESULTS	16				
2023 Meat consumer segments	17				
Segment key findings	18				
Segment sizing	19				
Individual segment profiles	20				
PROTEIN CONSUMPTION HABITS	25				
Protein consumption summary	26				
Chart: protein types consumed in past three months	27				
Chart: frequency of eating proteins – once a week+	28				
Chart: type of meat eaten in past three months - beef	29				
Chart: type of meat eaten in past three months – ground beef	30				
Chart: type of meat eaten in past three months - pork	31				
Chart: type of meat eaten in past three months – lamb	32				
Chart: type of meat eaten in past three months - chicken	33				
Chart: type of meat eaten in past three months - turkey	34				
Chart: trends in frequency of eating beef	35				
Chart: trends in frequency of eating ground beef	36				
Chart: trends in frequency of eating pork	37				
Chart: trends in frequency of eating lamb	38				
Chart: trends in frequency of eating chicken	39				
Chart: trends in frequency of eating turkey	40				
Chart: trends in frequency of eating plant-based proteins	41				
Chart: trends in frequency of eating seafood	42				
ROLE OF MEAT/POULTRY AND UNMET NEEDS	43				
Chart: role of meat and poultry in meals	44				
Chart: unmet needs	45				
SUBSTITUTING MEAT/POULTRY WITH NON-MEAT OPTIONS	46				
Substituting meat/poultry summary	47				
Chart: frequency of replacing meat/poultry w./seafood	48				
Chart: frequency of replacing meat/poultry w./plant-based protein	49				
PREFERRED BRAND TYPES	50				
Preferred brands summary	51				
Chart: brand type preference for beef	52				
Chart: brand type preference for ground beef	53				
Chart: brand type preference for pork	54				
Chart: brand type preference for chicken	55				
Chart: brand type preference for turkey	56				
		ONLINE/OFFLINE PURCHASING HABITS	57		
		Online/offline shopping habits summary	58		
		Chart: online meat/poultry purchasing	59		
		Chart: online purchases in past three months	60		
		Chart: likelihood to purchase meat and/or poultry online	61		
		Chart: offline purchases in past three months	62		
		SHOPPING HABITS – LAST PURCHASE	63		
		Shopping habits – last purchase summary	64		
		Chart: last bought online/in-store	65		
		Chart: meat/poultry products purchased	66		
		Chart: last outlet used in-store or online	67		
		Chart: meat/poultry purchase influencers	68		
		Chart: last trip pre-shopping preparation	69		
		Chart: purchase decision point – beef	70		
		Chart: purchase decision point – ground beef	71		
		Chart: purchase decision point – pork	72		
		Chart: purchase decision point – chicken	73		
		Chart: purchase decision point - turkey	74		
		Chart: consumer in-store activities	75		
		LAST PREPARED MEAT DISH ORDERED FROM A RESTAURANT	76		
		Last prepared meat dish ordered from a restaurant summary	77		
		Chart: meat/poultry dishes ordered from a restaurant in the past three months	78		
		Chart: where last dish was ordered from (eat-in, takeout or delivery)	79		
		Chart: type of meat/poultry ordered from restaurant	80		
		Chart: type of restaurant	81		
		Chart: order influencers	82		
		MEAT SPECIALTY CLAIMS	83		
		Meat specialty claims summary	84		
		Chart: meat terms awareness – all meats	85		
		Chart: meat terms awareness – fresh meat	86		
		Chart: meat terms awareness – beef	87		
		Chart: meat terms awareness – pork	88		
		Chart: meat terms awareness – poultry	89		
		Chart: general meat terms experience – buy regularly	90		
		Chart: fresh meat terms experience – buy regularly	91		
		Chart: beef terms experience – buy regularly	92		
		Chart: pork terms experience – buy regularly	93		
		Chart: poultry terms experience – buy regularly	94		
				MEAT AND POULTRY ATTITUDES	95
				Meat and poultry attitudes summary	96
				Chart: meat attitudes – agree completely/agree somewhat	97
				Chart: poultry attitudes – agree completely/agree somewhat	102
				LIFESTYLE ATTITUDES	104
				Lifestyle attitudes summary	105
				Chart: lifestyle attitude statements - agree completely/agree somewhat	106
				ANTICIPATED CHANGES TO MEAT AND POULTRY SHOPPING, STORAGE AND PREPARATION	109
				Anticipated changes summary	110
				Chart: anticipated changes – agree completely/agree somewhat	111
				PLANT-BASED/CELL-BASED	113
				Plant-based/cell-based summary	114
				Chart: plant- or cell-based awareness	115
				Chart: experience with plant-based meat	116
				Chart: likelihood to purchase cell-based meat	117
				SUSTAINABILITY	118
				Sustainability summary	119
				Chart: familiarity with sustainability	120
				Chart: thinking about sustainability issues when purchasing meat/poultry	121
				Chart: thinking about sustainability issues when purchasing non-meat items	122
				Chart: trend in concerns about sustainability	123
				Chart: likelihood to seek out meat with sustainability commitment	124
				USE OF TECHNOLOGY AND SOCIAL MEDIA	125
				Use of technology and social media summary	126
				Chart: experience with types of technology	127
				Chart: media consumption – two+ hours daily	128
				Chart: social media used most often	129
				Chart: likelihood to buy fresh meat recommended online	130
				Chart: likelihood to recommend fresh meat to online community	131
				Chart: impact of social media on purchase decisions of meats	132
				Chart: impact of social media conversations on purchase decisions of meats	133
				Chart: follow any (celebrity) chefs	134
				APPENDIX	135
				Table: respondent demographics	136
				Analytical design	141
				Segment sizing	142
				Analytic Notes	143
				Demographic summary	144
